Future planned training at Chadsgrove School.....

Autism and Anxiety

This module will provide your staff with an understanding of what we mean by anxiety, how it appears to autistic pupils, what the key triggers are and what we can do to support our autistic pupils and prevent anxiety.

Autism and Inclusion

This module will provide your staff with an understanding of the key causes of autistic pupils being excluded from school and how your teaching staff can prevent these. It will also provide support and strategies for the pupils successful return or transition to their placement, if an exclusion does occur.

We can tailor the training to meet the needs of your school
