

Dear Parent/Carer,

Early Careers Worcestershire is excited to invite you and your young person(s) to attend our Skills Expo on **Wednesday 4<sup>th</sup> March at Worcester Sixways Stadium (WR3 8ZE)**.

This **free** event opens at **4:00pm** and closes at **7:00pm**.

**Skills Expo Worcs**, formerly known as The Worcestershire Skills Show, is the county's largest careers event and exhibitors include a wide range of employers and training/education providers. You'll get a chance to talk to major businesses like Yamazaki Mazak, Worcester Bosch, Southco, the Armed Forces, National Grid, Worcestershire Apprenticeships, West Midlands Safari Park, Herefordshire and Worcestershire Fire Service, plus many more.

You can also meet local colleges, universities, and local education/training providers to point your young person in the best direction when it comes to following their education path.

Skills Expo Worcs offers young people, and their parents/carers the chance to look at the different types of local opportunities available and to talk to the experts first-hand, and find out what skills, qualities and qualifications are needed. Each exhibitor will have a hands-on activity which reflects roles in their organisation, and they are there to answer your questions.

Our aim is to cover as many industries as we can and highlight Worcestershire's most important growth sectors. This will give thousands of our young people a clearer idea of the employment, skills, and training opportunities that are out there, and the job roles which will be on offer in the future.
