Dear Parent Carers

There have been some concerns raised recently regarding conversations taking place at the start and end of the day when children are being dropped off and collected. We are mindful that both the hall and classrooms are busy public areas where conversations can be easily overheard by pupils, staff and other parent carers.

Can I respectfully ask if you have any query or would like to discuss your child with the Teacher/Teaching Assistant, can you please make an appointment. If the query is not urgent can I please ask that communication be carried out via a phone call, email or a note in the home/school diary.

Please understand that we value our communication and contact with you, however, the drop off and pick up times are not the most appropriate times for this to take place unless it is urgent. Please be assured that there is always a member of SLT available at these times should you need to speak to them.

Yours sincerely
