

SEND Services for *your* School

Occupational Therapy

Our fully qualified and experienced Occupational Therapist is adept at working with children and young people (CYP) to ensure they are equipped with the necessary skills to fully participate in all aspects of life.

Full Sensory Integration Assessment

What is included?

Full assessment to take place at home or school to assess occupational therapy and sensory needs using clinical observations and standardised assessment tools, detailed report with recommendations.

Who is it for?

Pupils with identified high level of sensory needs.

Occupational Therapy School Day Support

What is included?

Hands on support and advice from an occupational therapist to provide universal, targeted and specialist occupational therapy and sensory support to your school

Autism Informed Environments (learn about how you can adapt school spaces to support all students, and specifically those with neurodiverse needs)

Sensory Circuits (learn how to set up and run a sensory circuit to get your student's ready to engage with learning)

Who is it for?

Schools, SEND inclusion teams, resource bases who have pupils that are neurodiverse and would like specialist advice in modifying/adapting the environment to support and manage sensory needs and behaviours.

SEND Services for *your* School

Occupational Therapy
