

Observational drawing...

Draw what you see

- Choose an object
- Look closely at the object
- Think about how to put the object on your page

- Sketch an outline in pencil (2B if possible)
- Add in detail
- Add in shading

Composition

- Take your observational drawing and make it into a picture
- I have used lots of leaves
- I then added a face
- I copied the face from a Dr Who mug
- I put everything together and made a **Composition**

Final Piece

- Your final piece could be on paper or canvas
- Sketch out your picture
- Choose colours carefully
- Add colours using paint brushes, printing or pen
- I have used acrylic paint and pen
- You could use paint, pen, printing or collage
- Enjoy creating!

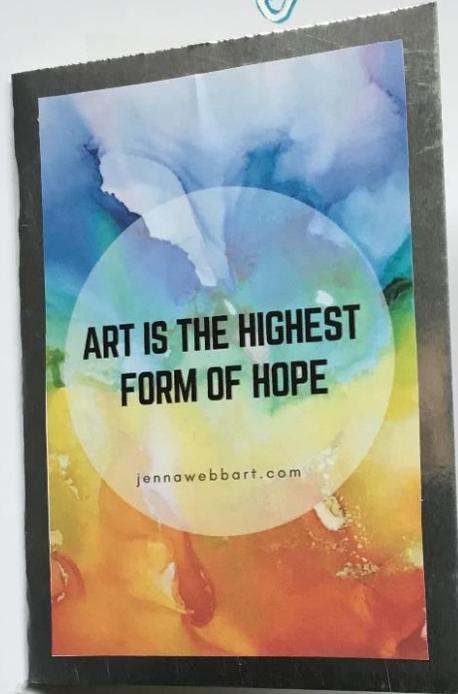

Important Things

- Make a page about something important
- A celebration maybe?
- Make it colourful
- Use paint, pen, collage
- Practice your bubble writing!

Sunday 10th May 20

A card to say

HELLO!

A Card for Someone

- Make a card for someone...
- Just to say Hello!

- Make it bright and colourful
- Practice your creative skills
- Put a simple message inside

- A card could make someone really happy!

- Enjoy creating!

Creative Baking

- Cooking can be creative too!
- I made some VE Day scones
- This photograph is my art work
- Could you make something and then photograph it?
- Practicing taking photo's can be great fun!

Fun Activity

- A very thoughtful pupil in 15US sent me this poster
- Take a look
- Think about the questions
- Do any of your answers make you want to draw a picture?
- If they do then go and draw!! Or paint, or make a collage, or a model...
- Just enjoy creating !
