15th November 2023

Dear Parent Carers

The children are all now settled and happy in their new classes and are well adjusted to the changes from September, thank you for all your help and support with this.

If you drop your child off in the morning please could I please encourage you to leave the Classroom promptly so that we can maximise learning time for all children and reduce interruptions and distractions for both children and staff. Our communication with you is extremely valuable and I am mindful that you will have information to handover which is of course very important, however, please can this information be exchanged in the home school diary rather than given directly to staff. Unfortunately our staffing for classes is not generous enough for us to be able to release Teachers or Teaching Assistants for extended periods of time during drop offs. If there is information to be shared that cannot be exchanged through the home school diary please ask to speak to a member of the Senior Leadership Team upon arrival at school or arrange a meeting with us or the Teacher, which we will of course happily accommodate.

With the exception of children in 2LS please could all families walk up the main corridor and around the hall to get to all other classes in school to drop off and pick up children.

Thank you in anticipation!

Yours sincerely

Deb Rattley
Headteacher
