**Welcome back everyone! We hope you're all well and had a lovely week. We have had lots of wonderful pictures, videos and news from you and we are excited to share your news with your friends. Please keep sending your amazing photos in. We hope you enjoy "catching up" with your friends in this weeks edition.**

**Thank you to all of our families for your ongoing support. Stay safe and stay well!**

**Ren, Ria, Lisa, Hayley, Kate and Ange xxxx**

**Jessica has been baking over half term, she made some lovely cookies. We bet they were delicious! Move over Jamie Oliver!**

**A beautiful baby blue tit decided to fly into the house and make friends with Jess by sitting on her hand! Just like “Disney’s Snow White!” Shh, keep nice and still so he doesn’t fly away. You are doing some brilliant looking Jess.**

# Link News Letter

**Jessica has also been working on our “Light and Dark” project.**

**As well as creating her picture, Jessica went exploring around her house and garden to find light and dark in the environment. Can you see the line between the sunshine and the shadows? Again some more great looking Jess.**

Jack has been working very hard on his masterpiece! You have used lots of different materials, textures and contrasts to make your picture. Well done Jack!

Jack has also been working on his trampoline over the last couple of weeks. Click on the link to see Jack enjoying some bounces :)

**Holly has been having a great time playing bingo with her sister's and won twice, Go Holly! Fern loves bingo too. Did you shout "Bingo!"**

**Holly was looking pretty cool in Mom's shades too, keeping the sun out her eyes. Sensible and trendy as well as experimenting with light and dark.... 3 in 1 :)**

**Holly was really happy to receive her friendship bracelet and card from school. She has promised Mom she is going to work really hard on her Kindness Chart. Well done Holly! It's always good to be kind.**

Jimmy worked hard, experimenting with “light” and “dark” objects. He worked with Caitlin and Dad to explore the materials. We can also see the “light” on you too Jimmy! Can anyone else spot it?

Jimmy loves reading and as well as Roald Dahl books (especially Georges Marvellous Medicine) he has got really stuck into Harry Potter. He wanted to share the audio books with his friends and so if you would like to listen to the series you can find them on the home learning section on the website under reading/audio books.

Thanks Jimmy for your recommendation.

Kyle has had a “lockdown haircut!” Doesn’t he look smart? Who else has been lucky enough to have theirs done? We can’t wait to get ours cut!

**Before**

**And**

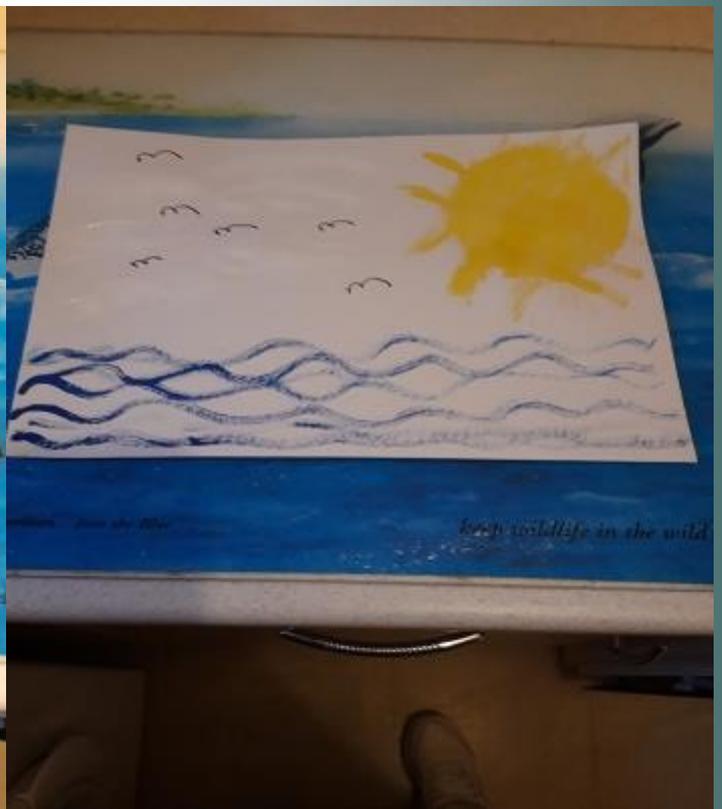

**After**

Kyle has also been chilling in his “new” home chair! You look so comfy, maybe you have been sharing some tips with Jimmy and Jess about their “spa” treatments.

# Link News Letter

Kyle has painted two beautiful pictures reflecting our “light” and “dark” topic. He ended up having lots of fun and painting his Mum too!! How many stars can you see in his “dark” picture? Can you count the birds too?

Kyle is looking very proud of himself after all his painting, he decided it was “selfie” time and took a lovely photo of himself. Well done Kyle!

**Mason has been out in the sunshine this week, back from his “virtual holiday.” Look how big his sunflowers have grown! How are tall are everyone else's? Also he has been looking at all the bees and butterflies landing on the flowers. Can you see any bees? A butterfly even landed on Mason to say hello to him!**

**Look how cool Mason’s hair looks! We really like it. Kyle has also had a new hairstyle too! All we need now is one of your massive handsome smiles. Cheese!**

# Link News Letter

**Tim has been very busy at home this week , learning lots of new skills. Our regular handyman has decided to help out by loading the washing machine. We hope you sorted out your “darks” and “lights!” Good work Tim! What’s the next thing you would like to learn? We could all use some help around our houses!**

**Can you remember who else had sunflowers? Tim is doing a good job of watering them to help them grow big and strong. Where are you going to plant them in your garden Tim? We can't wait to see them when they're bigger!**

Megan has been enjoying a splash in her paddling pool over half term. A great way to keep cool, just like Mason with his toes in the cool water. Who did you splash Meg? Was it Mom, Dad or Susie ?

## Special Achievement

**We would like to congratulate Jessica on the wonderful picture that she created using her eye gaze computer. This takes a great deal of concentration and stamina and so we are all very proud of you. Well done!**

Hello to our friends at Chadsgrove college. We hope you are all keeping well and enjoying time at home. We love exploring your website and can see you have plenty of things on there to keep you active and fit. We really like your wheelchair dance idea and the bungee exercises.

14US please click on the links to take part.....

<https://youtu.be/4zww0h9cHu0> (Wheelchair dance)

<https://youtu.be/ztShP4y0xg4> (Bungee work out with Claire)

We were also very proud of the completed Chadsgrove community song and thank everyone who got involved. We hope everyone can enjoy singing, signing or dancing along. To all you expert signers over at college, I know you are doing a signing qualification and will spot my big mistake!

I am really sorry everyone but I got the sign for success wrong (it should have been the opposite way with the thumbs) We all learn from our mistakes and I will definitely remember the right sign next time. Click on the link below to view the song.
